

Tino's Maps

Activity and Coloring Book

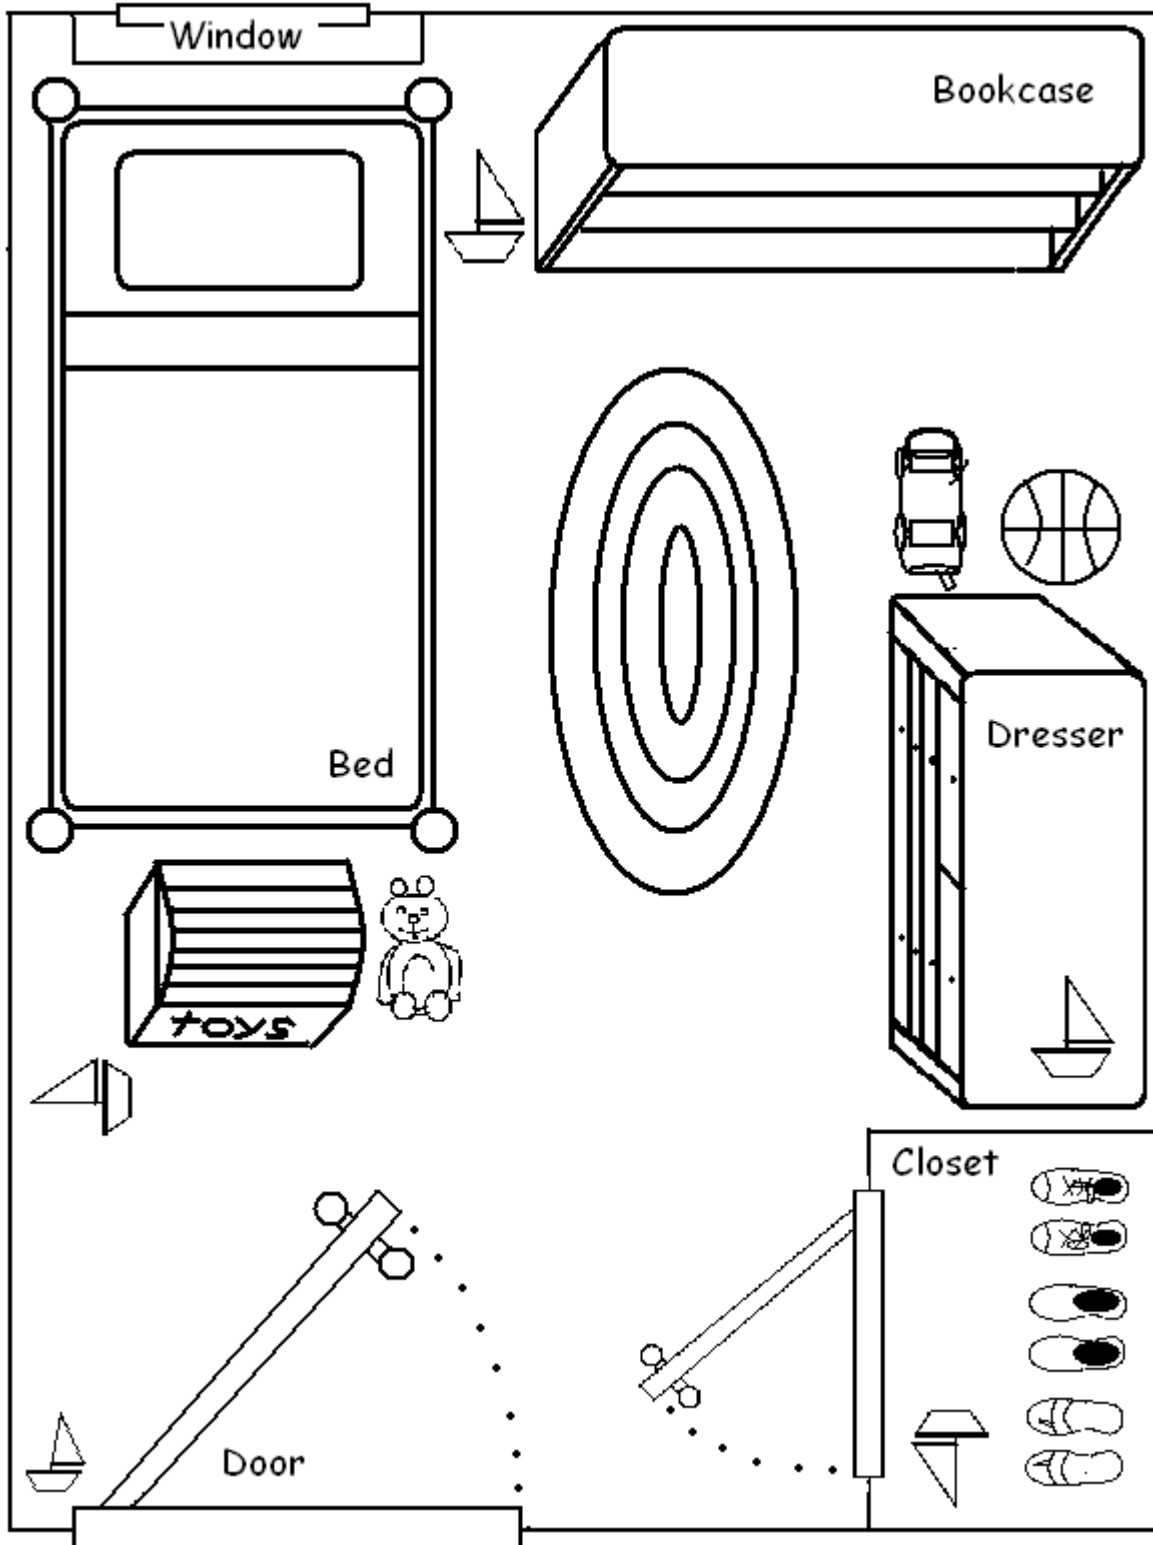

Hi! My name is Tino! I'm making a map of my body.
Will you help me finish it? Just write the name of each
body part with a blank next to it, and don't forget to color!

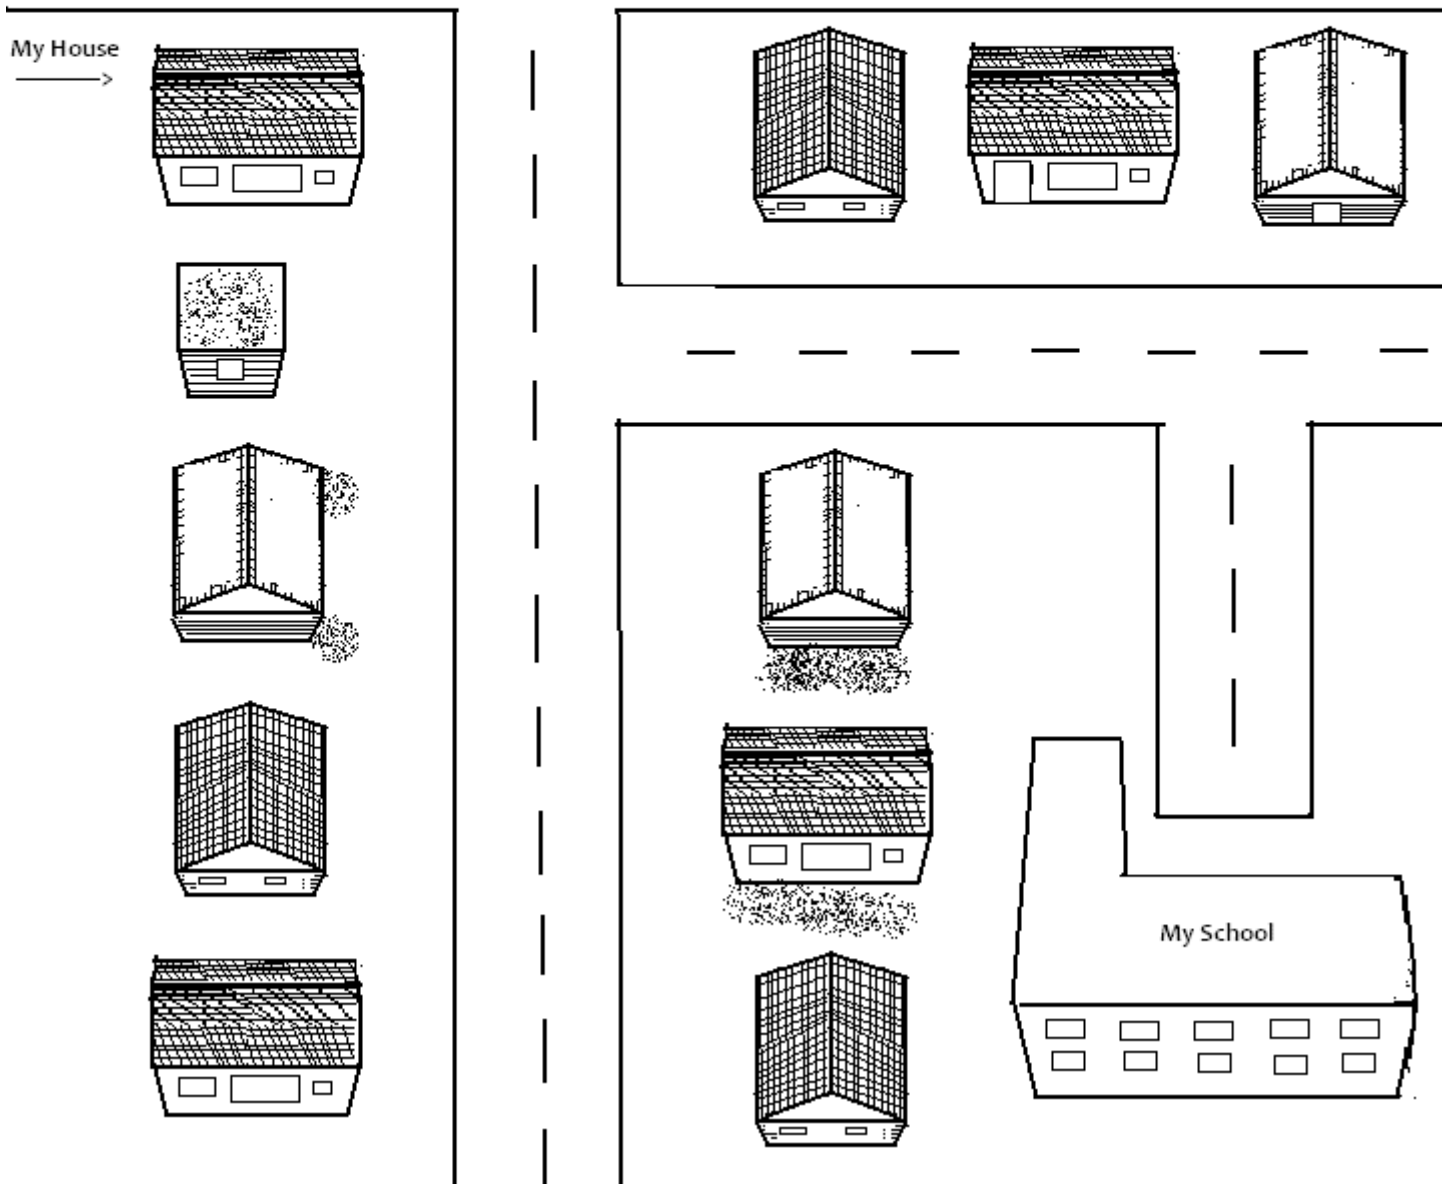

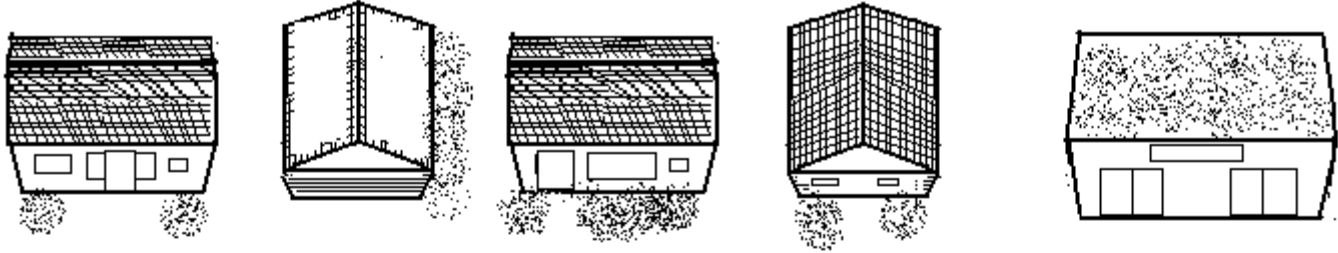

Tino's Body

It's my day for show-and-tell at school! I'm going to bring my sailboat collection. Help me find all 5 of my sailboats by circling them on this map of my bedroom.

Tino's Bedroom

This is a map of my neighborhood. Help the new Bus Driver find the way to school by drawing a line from my house to the school. Remember that the line must stay on roads!

Tino's Neighborhood

My school and neighborhood are in the state of Maine. Connect the dots below to make a map of my state.
